Deb,

I think it is possible that Doug Goehring could bring up the following items during the first session, which is designed to ID strategies wherein EPA can work better with state, tribal partners.

Deb,

Hope you had a good 4th! As you know, the Senior Leadership Council is coming up quickly. This year, we've expanded our external engagement on budget and planning for FY2020 to include agriculture, public health, and local leaders.

I'm sending this to notify you that Agriculture Commissioner Goehring (ND) and Ag Secretary Jim Reese (OK) will attend EPA's Senior Leadership Council on behalf of NASDA's Executive Board on July 18th from 1-4:30. I've attached the CFO's letter with agenda that went to NASDA's Executive Board on the 21st.

From the public health side, Dr. Larry Wolk, Executive Director and Chief Medical Officer for CDPHE will also be in attendance. From the tribal side, Gerald Wagner and Scott Clow from NTC will be in attendance. Similar invitations went to their respective associations.

Please let me know if you have any questions.

Thank you,

Chad Nitsch
